Highlights – Ministry of Agriculture & Farmers Welfare

- Technologies developed by ICAR have significantly contributed to increase in agriculture production of - foodgrain, horticultural crops, milk, fish and eggs. Addressing In-Session Meeting of a Consultative Committee of the Ministry of Agriculture & Farmers Welfare on 20.12.2018, Union Minister of Agriculture and Farmers Welfare informed that in order to make agriculture more attractive to rural educated youth, the Attracting and Retaining Youth in Agriculture (ARYA) scheme is proving to be very effective. He further informed that the Student READY (Rural Entrepreneurship Awareness Development Yojana) programme has also been initiated to reorient graduates of agriculture and allied subjects for ensuring and assuring employability and developing entrepreneurs. The ICAR has also setup a network of 25 Agri-business Incubation (ABI) Centers, which have demonstrated their achievements at state and national levels.

- Use of Banned Pesticides - The Ministry of Agriculture and Farmers Welfare is implementing “Monitoring of Pesticide Residues at National Level” (MPRNL) scheme, under which food commodities are collected and analyzed for the presence of pesticide residues. During the period from the year 2012 to 2018, no residues of the banned pesticides have been detected in food commodities under MPRNL Scheme. Based on the technical reviews to assess the safety of pesticides, the Government, inter alia, has banned 40 pesticides for their use in the country, as informed by Minister of State for Agriculture, Cooperation & Farmers Welfare, GOI.
- Index for Ease of doing Agri – Business - The success of the policies and programmes of Government of India depends on how effectively they are adopted and implemented by the State Governments. Therefore, to ensure that the reform agenda of Government is implemented at a desired pace by all State Governments, there is a need to develop a competitive spirit between the States. Keeping this in mind, Ministry of Agriculture and Farmers Welfare has proposed to rank the States through an index of ease of doing agri-business. The proposed index has taken three strategies of increasing production/productivity, increasing price realization of agri produce and decreasing input cost of production into consideration and also incorporated risk mitigation and investment related attributes. The Ministry has circulated a concept note, on developing the index, to all the stakeholders and invited their comments. The index will provide an excellent template for Government to channelize the resources under various schemes to plug the gaps of Governance which will be highlighted by this exercise and bring the States lagging behind up in the ranking.
- Swachhta Pakhwada – was observed from 16th to 31st December, 2018 in the Department of Agriculture, Cooperation and Farmers Welfare.

- Under Modi government, India has achieved food security - and become a net exporter of agriculture commodities’ said Union Minister of Agriculture and Farmers Welfare Shri Radha Mohan Singh when he met Ms. Ruhsar Pekcan, Turkish Trade Minister on 18.12.2018 and called for extending cooperation between the two countries through greater interaction among government agricultural institutions, experts, scientists, etc.
- Soil Health Cards - National Productivity Council (NPC) has done a study on ‘Soil Testing Infrastructure for Faster Delivery of Soil Health Cards in India’ and found that as a result of application of fertilizers as per recommendations of soil health card, there is a decrease in use of chemical fertilizers in the range of 8-10% and increase in yield of crops to the tune of 5-6%. From 2014-15 to 2017-18, a sum of Rs.40677.00 lakh has been released to State Governments for implementation of the soil health card scheme, as informed by Minister of State for Agriculture, Cooperation & Farmers Welfare, GOI.

ICDP-मंडी (फेज-2) का विधिवत उद्घाटन

माननीय मुख्यमंत्री हिमाचल प्रदेश श्री जय राम ठाकुर द्वारा दिनांक 17 नवम्बर 2018 को एकीकृत सहकारी विकास परियोजना (ICDP), जिला मंडी का विधिवत उद्घाटन किया गया।

ICDP मंडी राष्ट्रीय सहकारी विकास निगम (NCDC) द्वारा प्रायोजित हिमाचल प्रदेश की अभी तक की सबसे बड़ी सहकारी परियोजना है। इसके लिए NCDC द्वारा 89.58 करोड़ रुपये की वित्तीय सहायता स्वीकृत की गई है। जिसमें से वर्ष 2018-19 के लिए अब तक 33.64 करोड़ रुपये की वित्तीय सहायता प्रदान की जा चुकी है।

इससे पहले ICDP स्कीम के अंतर्गत, हिमाचल प्रदेश के 12 जिलों में इन परियोजनाओं को लागू किया गया था जिसके तहत कुल स्वीकृति 70 करोड़ रुपये थी। लेकिन अब सहकारी गतिविधियों को बल देने व ग्रामीणों की आर्थिक स्थिति को सुदृढ़ करने में महत्वपूर्ण योगदान के लिए अकेले जिला मण्डी में ही लगभग 90 करोड़ रुपये की परियोजना आरम्भ की गई है।

दिनांक 19 नवम्बर 2018 को '65वें अखिल भारतीय सहकारी सप्ताह' के अवसर पर जिला स्तरीय सहकारी समारोह में 'एकीकृत सहकारी विकास परियोजना (ICDP), जिला सोलन' को माननीय सामाजिक न्याय एवं अधिकारिता व सहकारिता मंत्री हिमाचल प्रदेश डॉ. राजीव सहजल ने हरी झंडी देते हुए शुभ कामनायें दी। मंत्री महोदय ने कहा कि राष्ट्रीय सहकारी विकास निगम की एकीकृत सहकारी विकास परियोजनाओं के लागू होने से प्रदेश भर की सहकारी समितियों की वित्तीय स्थिति सुदृढ़ हुई है।

Rural Tourism Through Cooperatives – The Next Big Thing To Experience The Travel

“Any form of tourism that showcases rural life, art, culture and heritage at rural locations, thereby benefiting the local community economically and socially as well as enabling interaction between the tourists and the locals for a more enriching tourism experience, can be termed as Rural Tourism.”

Rural Tourism is an emerging concept in India. Over the decades, tourism has experienced a continuous growth and diversification to become one of the fastest growing economic sectors in the world. Tourism development has become an important target for most governments, especially for developing countries. Rural tourism is particularly relevant in developing nations where farmland has become fragmented due to population growth. The wealth that rural tourism can provide to poor households creates great prospects for development.

Rural tourism is closely related to the villages. The objective of rural tourism is to showcase rural life, art, culture and heritage at rural locations and in villages, which have core competence in art & craft, handloom, and textiles and the beauty of the natural environment. The ultimate objective of the rural tourism is to benefit the local community economically and socially as well as enable interaction between tourists and local population for a mutually enriching experience. For the visitor, whose expenditure creates revenue for host community service providers, rural tourism adds value through packaged programmes.

Rural tourism can be experienced from agricultural, local cuisine, community and ethno tourism point of view. In India, culture is so varied and vibrant that a whole lifetime is but too short to explore it completely. Rural tourism gives a great deal of exposure to different cultures that breathe in the interiors of India.

To boost rural tourism, Homestay (B&B) facilities have been one of the successful tools to increase tourism and broaden accommodation options in poorer rural communities. The professionally organised (e.g. Ecosphere Spiti in Himachal Pradesh) offering of these homestays is clean traditional houses with hygienic basic amenities. This new wave of tourism is aimed at empowering the communities by linking it to their livelihoods. This approach of tourism results in preservation of culture and natural resources.

Rural tourism is instrumental in sustainable human development through poverty alleviation, employment generation, environmental regeneration, development of remote areas and advancement of women & other disadvantaged groups in the country apart from promoting social integration.

Cooperative societies across India can play a big role in development of rural tourism. Cooperatives already have exposure to business risk and can manage tourism business effectively. Due to their presence and local know-how they can offer better facilities to the tourists. Tourism services offered by cooperative societies carry more reliability as compared to those by private entities. Rural tourism can check migration of people from rural to urban areas. Environmental management, local involvement, sound legislation, sustainable marketing, and realistic planning are crucial for development of Rural Tourism.

जब से मोबाइल विद फ्री इन्टरनेट आया है

जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
हर किसी को इसी का नशा छाया है,
जो सरो को उठा के चला करते थे,
उनको सर झुका के चलते पाया है,
जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
घंटो साथ बैठकर भी लोगों को आपस में गुमसुम पाया है,
कैसी दूरी, ये अपनों के बीच लाया है,
ऊँचे संस्कारों को नीचे गिरते पाया है,
कैसी मुसीबत ये अपने साथ लाया है,
जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
तकिये के नीचे सपनों के बजाय इस बला को रखते पाया है,
भगवान और माँ-बाप से पहले मोबाइल पर गुड मॉर्निंग बोलने का दौर आया है,
बाप ने बच्चों को छोड़ इस पर ज्यादा वक्त बिताया है
माँ ने बच्चों के लिए ऑनलाइन झूठा खाना इसी पर मंगवाया है
जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
सुबह की सैर पर पंछियों की कलकलाहट की जगह, मोबाइल पर गाने सुनते पाया है,
हैडफोन कानो में लगा पागलो की तरह अपने आप से बात करते लोगों को पाया है,
जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
जो कभी आसानी से नहीं मिलती थी,
उस गंदगी को बच्चो और बड़ों ने घर बैठे-बैठे पाया है,
मोबाइल पर क्लिपिंग। बना कर माँ-बहनों को ब्लैकमेल करने का पाप इसी ने ही करवाया है

जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
रिश्तो को व्हाट्स अप, फेसबुक, इन्स्टाग्राम तक ही सिमटते पाया है,
बड़े लोगो को बच्चों की तरह सांप-सीड़ी और लूडो खेलना आया है
जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
राखी, होली, दीपावली सब त्यौहार लोगों ने इसी पर मनाया है,
घर जा कर बधाई देने से अच्छा, मोबाइल पर ही बधाई देने का ये नया चलन आया है
जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
जितने में एक गरीब को छत मिल जाए, उस से महंगा मोबाइल बाजार में आया है,
किशतों में खरीद लो, इन्श्युरेंस करा लो, जाने क्या क्या ऑफर ये लाया है,
जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
अपने छूट जाए, मोबाइल न छूट जाए कैसा ये दौर आया है,
मोबाइल के चक्कर में जान गंवाते लोगों को पाया है,
जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
Live Suicide, Live Challenges जाने क्या क्या आफते ये लाया है
अनलिमिटेड कॉल पर रिश्तो को लिमिटेड होते पाया है
जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
काश ये मोबाइल न होता तो ये जीवन कितना सरल होता,
इन सभी परेशानियों से कविता लिखने का, सुनील को यह ख्याल आया है ,
जब से मोबाइल विद फ्री इन्टरनेट आया है..॥
