- **NIGHT & SUNDAY WORK**

All the works shall be executed in strict conformity with the provisions of the contract documents and with such explanatory details, drawings, specifications and instructions as may be furnished from time to time to the Contractor by the Engineer-in-Charge/ Site-in-Charge, whether mentioned in the Contract or not. The Contractor shall be responsible for ensuring that works throughout are executed in the most proper and workman- like manner with the quality of material and workmanship in strict accordance with the specifications and to the entire satisfaction of the Engineer-in- Charge/Site-in-Charge.

The completion of work may entail working in monsoon also. The contractor must maintain the necessary work force as may be required during monsoon and plan to execute the job in such a way the entire project is completed within the contracted time schedule. No extra charges shall be payable for such work during monsoon. It shall be the responsibility of the contractor to keep the construction work site free from water during and off the monsoon period at his own cost and expenses.

Subject to any provision to the contrary contained in the contract, none of the permanent work shall save as hereinafter provided, be carried on during the night or on Sundays (locally recognized as day of weekly rest) without permission in writing of the concerned local authority as well as NCDC except when the work is unavoidable or absolutely necessary for the saving life or property or for safety of the works in which case the contractor shall immediately inform owner. If night work of temporary formations or preparations etc. is necessary to complete the work in time, Owner's prior permission shall be obtained in addition to that of the concerned/local authority. Night work and Sunday work shall not entitle the contractor to any increase in rates. All work at night shall be carried out without unreasonable noise and disturbances/nuisance. The contractor shall keep Owner and its staff indemnified from and against any liability for damages on account of noise or other disturbances created while carrying out the work and from and against all claims, demands, proceedings, costs, charges and expenses whatsoever in regard to or in relation to such liability.

- **CONTRACTOR TO INDEMNIFY THE OWNER**

The Contractor shall indemnify the Owner and every member, officer and employee of the Owner, also the Engineer-in-Charge/Site-in-Charge and his staff against all the actions, proceedings, claims, demands, costs, expenses, whatsoever arising out of or in connection with the works and all actions, proceedings; claims, demands, costs, expenses which may be made against the Owner for or in respect of or arising out of any failure by the Contractor in the performance of his obligations under the contract. The Contractor shall be liable for or in respect of or in consequence of any accident or injury to any workmen or other person in

the employment of the Contractor or his sub contractor and Contractor shall indemnify and keep indemnified the Owner against all such damages, proceedings, costs, charges and expenses whatsoever in respect thereof or in relation thereto.

- **PAYMENT**

As the time of completion is less, only one Running bill will be considered for payment. Final bill Payment will be made within 30 days from the date of completion of the work subject to satisfactory performance.

- **COMPLETION OF WORK AND COMPLETION CERTIFICATE**

As soon as the work is completed in all respects, the contractor shall give notice of such completion to the site in charge or the Owner and within thirty days of receipt of such notice the site in charge shall inspect the work and shall furnish the contractor with a certificate of completion indicating:

- a) Defects, if any, to be rectified by the contractor
- b) Items, if any, for which payment shall be made in reduced rates
- c) The date of completion.

- **DEDUCTION OF GST AND INCOME TAX ETC.**

Income tax, GST or any other statutory taxes as per the Central/State Govt. rules will be deducted from the bills.

- **ELECTRICITY**

The electricity shall be provided free of cost at a fixed point to the contractor. The contractor shall at his own cost provide the electrical wires/ cables of sufficient length as required for completing the work etc. beyond the fixed point.

- **WATER**

Sufficient quantity of potable water is available at site for use in construction works. The contractor shall store the said potable water in its own temporary storage tanks.

The contractor will be solely responsible for doing the further job of laying pipelines, electric cables, motors, panels, switches, temporary storage tanks etc. and also for licensed plumber, fitter, Electrician etc. to maintain these arrangements for completing the work at his own cost.

- **VARIATION CLAUSE**

NCDC reserves the right to omit any of the item(s) & increase or decrease the quantities of items to any extent given in the schedule and no claim in this regard shall be entertained.

- **RATES FOR EXTRA ITEMS, DEDUCTION ITEMS, DEVIATION ITEMS, SUBSTITUTED ITEMS:**

The net cost of sub-head of works at the contract rates will not vary by more than 50% on account of deviations in quantities but an individual item within above limit may vary up to 100%. When the variations are within the above limits, the contract Rates will apply. Deviation or variations beyond these limits shall be brought to the notice of owner by the contractor a month earlier to execution stage and to proceed to execute the deviation quantities on getting owner's approval and the rate allowable would be worked out on the

basis of market rates of materials and labour (rates as per the notification of Delhi Govt. labour Deptt.) plus fifteen percent for Contractor's profit & overheads. For the operation of this clause, sub-heads will be strictly as indicated in the Schedule of Quantities.

The priorities of working out the rates would be as under:

- i) If the rates for the additional, altered or substituted work are specified in the contract for the work, the contractor is bound to carry out the additional, altered or substituted work at the same rates as are specified in the contract for the work.
- ii) The rates will be derived from the rates for a similar class of work as are available in the contract to the extent the same is relevant to its part and for components beyond it at market rates of materials and labour (as per minimum wages of Govt. of Haryana). Books of analysis of rates, schedule of rates of CPWD will be referred to identify the components or parts of similar class of work.
- iii) In case of other items where no components is directly derivable from schedule of rates, market rates of material and labour (minimum wages of Govt of Haryana, labour deptt) as ascertained by the owner / CPWD analysis of rates shall be taken as the basis allowing only 15% margin for contractor's profit, supervision and overheads. The contractor will submit a rate analysis based on the market rates, original bill, vouchers etc. in connection with determination of such rates. Value of all variations will be intimated to the owner / Engineer-in-Charge in writing 7 days ahead of likely date of execution to obtain owner's consent in principle to execute the item. The opinion of the owner as to current market rates of materials and the quantum of labour involved per unit of measurement will be final and binding on the contractor.

• **ARBITRATION:**

Except where otherwise provided in contract all questions and disputes arising out of or relating to the contract, design, drawings, specifications, estimates, instructions, orders or these conditions or otherwise concerning the works or the execution or failure to execute the same whether arising during the progress of the work or after completion or abandonment thereof shall be referred to the sole Arbitration of the person appointed by the Managing Director, NCDC. There will be no objection to any such appointment that the Arbitrator so appointed is an owner's representative that he had to deal with the matter to which the contract relates and that in the course of his duties as owner's representative he had expressed views on all or any of the matter in dispute or difference. Subject to as aforesaid the provisions of the Arbitration and Conciliation Act, 1996 or any statutory modifications or re-enactment thereof and the rules made there under and for the time being in force shall apply to the Arbitration proceedings under this clause. It is also a term of the contract that the party invoking Arbitration shall specify the dispute to be referred to Arbitration under this clause together with the amount or amounts claimed in respect of each such dispute. The award of the Arbitrator shall be final and binding on both the parties. The venue of Arbitration shall be Delhi and only Delhi Court will have jurisdiction in the matter. The fees, if any, of the Arbitrator shall be required to be paid before the award is made and published and will be paid equally by the parties. The costs of the reference and of the award including the fees, if any, of the Arbitrator shall be at the discretion of the Arbitrator.

• **Execution of Agreement by successful bidder:**

In consideration of the amounts to be paid at the agreed rates, at the time and in the manner set and subject to the conditions mentioned herein below the contractor shall execute and complete the work shown in accordance with the drawings, description of items and technical specifications mentioned thereof. The successful bidder shall have to execute an

agreement incorporating terms, conditions and schedule of quantities given in the Bid within fourteen days of issue of letter by the owner communicating acceptance of his bid. In the event of failure on the part of the successful bidder to sign the agreement within the above stipulated period, the earnest money will be forfeited and the acceptance of bid shall be considered as cancelled. The agreement will be on format as per Tender Document and will be on a stamp paper of Rs.100/- or as per the legal requirement of the contract in New Delhi.
